C1.3 Parties

- a) The parties to the collective agreement are the school board or school Authority and the union.
- b) Central collective bargaining shall be conducted by the central employer and employee bargaining agencies representing the local parties.

C1.4 Single Collective Agreement

Central terms and local terms shall together constitute a single collective agreement for all purposes.

C2.00 DEFINITIONS

C2.1 Unless otherwise specified, the following definitions shall apply only with respect to their usage in standard central terms. Where the same word is used in Part B of this collective agreement, the definition in that part, or any existing local interpretation, shall prevail.

C2.2 The “Central Parties” shall be defined as the employer bargaining agency, the Council of Trustees’ Associations/Conseil d’Associations des Employeurs (CTA/CAE) and the employee bargaining agency, the Canadian Union of Public Employees/Syndicat Canadien de la Fonction Publique (CUPE/SCFP).

C3.2 Term of Letters of Agreement/Understanding

All central letters of agreement/understanding appended to this agreement, or entered into after the execution of this agreement shall, unless otherwise stated therein, form part of the collective agreement, run concurrently with it, and have the same termination date as the agreement.

C3.3 Amendment of Terms

In accordance with Section 42 of the *School Boards Collective Bargaining Act, 2014*, the central terms of this agreement, excepting term, may be amended at any time during the life of the agreement upon mutual consent of the central parties and agreement of the Crown. It is understood the union will follow its internal approval process.

- d) The Parties will rotate through the list to select an arbitrator subject to their availability to hear the matter within six (6) months, on a date convenient to the parties. If none of the arbitrators on the list are able to convene a hearing within six (6) months, the parties shall appoint a mutually agreed to arbitrator.
- e) The central parties may refer multiple grievances to a single arbitrator.
- f) The cost of proceedings, including arbitrator fees and rental of space, shall be shared equally between the central parties.
- g) This does not preclude either Party from proceeding to expedited arbitration under the Labour Relations Act.

C5.00 BENEFITS

The parties have agreed to participate in the Provincial Benefit Trust set out in the CUPE Education Workers Benefit Trust Agreement and Declaration of Trust "CUPE EWBT" established February 28, 2018. The date on which the board and the bargaining unit commenced participation in the Trust shall be referred to herein as the "Participation Date".

The parties agree that, once all employees to whom this memorandum of settlement applies transition to the CUPE EWBT, all references to existing life, health and dental benefits plans in the applicable local collective agreement shall be removed from that local agreement.

Consistent with section 144.1 of the Income Tax Act (Canada) ("ITA") Boards' benefit plans can only be moved into the Trust, such that the Trust will be in compliance with the ITA and Canada Revenue Agency administrative requirements for an ELHT.

Post Participation Date, the following shall apply:

C5.1 Eligibility and Coverage

- a) The Trust will maintain eligibility for CUPE represented employees who currently have benefits and any newly hired eligible employee covered by the local terms of applicable collective agreement ("CUPE represented employees").
- b) The Trust is also permitted to provide coverage to other active employee groups in the education sector with the consent of their bargaining agents and employer or, for non-union groups, in accordance with an agreement between the Trustees and the applicable Board.
- c) Retirees who were previously represented by CUPE, who were, and still are members of a Board benefit plan as at the participation date are eligible to receive benefits through the CUPE EWBT based on prior arrangements with the Board.
- d) No individuals who retire after the Participation Date are eligible.

C5.2 Funding

Funding related to the CUPE EWBT will be based on the following:

- a) A reconciliation process based on the financial results for the year ending on August 31, 2022 equal to the lesser of the total cost of the plan per Full Time Equivalency (FTE) and \$5,655.45 per FTE. This reconciliation will adjust the amount per FTE as of September 1, 2022.
 - i. The financial results for reconciliation shall be based on the audited financial statements for the year ending on August 31, 2022. The parties agree to compel the Trust to provide the audited financial statements at the Trust's expense no later than November 30, 2022.
 - ii. The total cost represents the actual costs related to the delivery of benefits. Total cost is defined as the total cost for the CUPE Benefit Plan on the CUPE EWBT's August 31, 2022 audited financial statements, excluding any and all costs related to retirees and optional employee benefit costs. The parties agree that the audited financial statements should provide a breakdown of total cost which shall include the total cost of benefits and related costs which include but are not limited to claims, administration expenses, insurance premiums, consulting, auditing and advisory fees and all other costs and taxes as reported on the insurance carrier's most recent yearly statement. The total cost excludes retiree costs and optional employee benefit costs.
- b) Funding amounts:
 - September 1, 2019: 1% (5,544.01 per FTE)
 - September 1, 2020: 1% (\$5,599.45 per FTE)
 - September 1, 2021: 1% (\$5,655.45 per FTE)

Funding will be made retroactive to September 1, 2019.

- c) Funding changes described in a) and b) are contingent on the CUPE EWBT agreeing that any enhancements to the CUPE Benefit plan shall be consistent with the following parameters:
 - i) The Claims Fluctuation Reserve (CFR) shall not decrease below 25% of total CUPE benefit plan costs for the prior year and,
 - ii) the three-year actuarial report does not project a structural deficit in the plan. A structural deficit is defined as benefit plan expenses exceeding revenues adjusted for time limited changes to plan expenses or revenues.

C5.3 Cost Sharing

The terms and conditions of any existing Employee Assistance Program/Employee Family Assistance Program shall remain the responsibility of the respective Board and not the Trust maintaining current employer and employee co-share where they exist. The Board shall maintain its contribution to all statutory benefits as required by legislation (including but not limited to Canada Pension Plan, Employment Insurance, Employer Health Tax, etc.).

Any cost sharing or funding arrangements regarding the EI rebate will remain status quo.

C5.4 Full-Time Equivalent (FTE) and Employer Contributions

- a) The FTE used to determine the Board's benefits contributions will be based on the average of the Board's FTE as of October 31st and March 31st of each year.
- b) For the purposes of (a) above, the FTE positions will be those consistent with Appendix H of the Education Finance Information System (EFIS) for job classifications that are eligible for benefits.
- c) Amounts previously paid under (a) above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.
- d) In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved between the Board and CUPE. If no resolution to the issue can be achieved, it shall be subject to the Central Dispute Resolution Process.

C5.5 Payment in Lieu of Benefits

- a) All employees not transferred to the Trust who received pay in lieu of benefits under a collective agreement in effect as of August 31, 2014, shall continue to receive the same benefit.
- b) New hires after the Participation Date who are eligible for benefits from the CUPE EWBT are not eligible for pay in lieu of benefits.

C5.6 Benefits Committee

- a) A benefits committee comprised of the employee representatives, the employer representatives, including the Crown, and Trust Representatives will meet to address all matters that may arise in the operation of the Trust. This committee is currently known as "TRAC 3".

C5.7 Privacy

- a) The Parties agree to inform the Trust Plan Administrator, that in accordance with applicable privacy legislation, the Trust Plan Administrator shall limit the collection, use and disclosure of personal information to information that is necessary for the purpose of providing benefits administration services. The Trust Plan Administrator's policy shall also be based on the Personal Information Protection and Electronic Documents Act (PIPEDA).

Sick leave days may be used for reasons of personal illness, personal injury, personal medical appointments, or personal dental emergencies only. Appointments shall be scheduled outside of working hours, where possible.

Employees receiving benefits under the *Workplace Safety and Insurance Act*, or under an LTD plan, are not entitled to benefits under a school board's sick leave and short-term disability plan for the same condition.

c) Short Term Disability Coverage – Days Payable at 90% Wages

Permanent Employees

d) Eligibility and Allocation

A sick leave day/short term disability leave day will be allocated and paid in accordance with current local practice.

Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

Permanent Employees

The allocations outlined in paragraphs b) and c) above will be provided on the first day of each fiscal year, or the first day of employment, subject to the exceptions below:

Where a permanent Employee is accessing sick leave and/or the short-term disability plan in a fiscal year and the absence continues into the following fiscal year for the same medical condition, the permanent Employee will continue to access any unused sick leave days or short-term disability days from the previous fiscal year's allocation.

A new allocation will not be provided to the permanent Employee until s/he has returned to work and completed eleven (11) consecutive working days at their regular working hours. The permanent Employee's new sick leave allocation will be eleven (11) sick leave days payable at 100% wages. The permanent Employee will also be allocated one hundred and twenty (120) short-term disability leave days based on the provisions outlined in c) above reduced by any paid sick days already taken in the current fiscal year.

If a permanent Employee is absent on his/her last regularly scheduled work day and the first regularly scheduled work day of the following year for unrelated reasons, the allocation outlined above will be provided on the first day of the fiscal year, provided the employee submits medical documentation to support the absence, in accordance with paragraph (h).

Employees on Long-Term Supply Assignments

Employees completing long term supply assignments may only access sick leave and short-term disability leave in the fiscal year in which the allocation was provided. Any remaining allocation may be used in subsequent long-term supply assignments, provided these occur within the same fiscal year.

Employees employed in a long-term supply assignment which is less than the ordinary period of employment for the position shall have their sick leave and short-term disability allocations pro-rated accordingly.

Where the length of the long-term supply assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/short-term disability leave to occur. If a change is made to the length of the assignment, an adjustment will be made to the allocation and applied retroactively.

e) Refresh Provision for Permanent Employees

Permanent Employees returning from LTD or workplace insurance leave to resume their regular working hours must complete eleven (11) consecutive working days at their regular working hours to receive a new allocation of sick/short-term disability leave. If the Employee has a recurrence of the same illness or injury, s/he is required to apply to reopen the previous LTD or WSIB claim, as applicable.

The Local union and Local school board agree to continue to cooperate in the implementation and administration of early intervention and safe return to work processes as a component of the Short-Term Leave and Long-Term Disability Plans.

In the event the Employee exhausts his/her sick/short-term disability leave allocation from the previous year and continues to work part-time, their salary will be reduced accordingly and a pro-rated sick/short-term allocation for the employee's working portion of the current year will be provided. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours. Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

For the purposes of d) and e) of this article, eleven (11) consecutive working days of employment shall not include a period of leave for a medical appointment, which is related to the illness/injury that had been the reason for the employee's previous absence, but days worked before and after such leave shall be considered consecutive. It shall be the employee's obligation to provide medical confirmation that the appointment was related to the illness/injury.

f) WSIB & LTD

An Employee who is receiving benefits under the Workplace Safety and Insurance Act, or under an LTD plan, is not entitled to benefits under a school board's sick leave and short-term disability plan for the same condition unless the employee is on a graduated return to work program then WSIB/LTD remains the first payor.

For clarity, where an employee is receiving partial benefits under WSIB/LTD, they may be entitled to receive benefits under the sick leave plan, subject to the circumstances of the specific situation. During the interim period from the date of the injury/incident or illness to the date of the approval by the WSIB/LTD of the claim, the employee may access sick leave and short-term leave and disability coverage. A reconciliation of sick leave deductions made and payments provided, will be undertaken by the school board once the WSIB/LTD has adjudicated and approved the claim. In the event that the WSIB/LTD does not approve the claim, the school board shall deal with the absence consistent with the terms of the sick leave and short-term leave and disability plans.

g) Graduated Return to Work

Where an Employee is not receiving benefits from another source and is working less than his/her regular working hours in the course of a graduated return-to-work as the Employee recovers from an illness or injury, the Employee may use any unused sick/short term disability allocation remaining, if any, for the portion of the day where the Employee is unable to work due to illness or injury. A partial sick/short term leave day will be deducted for an absence of a partial day in the same proportion as the duration of the absence is to an employee's regular hours.

Where an employee returns on a graduated return to work from a WSIB/LTD claim, and is working less than his/her regular hours, WSIB and LTD will be used to top up the employee's wages, as approved and if applicable.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source;
- and is working less than his/her regular hours of work;
- and has sick leave days and/or short-term disability days remaining from the previous year

The employee can access those remaining days to top up their wages proportional to the hours not worked.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source,
- and is working less than his/her regular hours of work,
- and has no sick leave days and/ or short-term disability days remaining from the previous year,

the employee will receive 11 days of sick leave paid at 100% of the new reduced working hours. When the employee's hours of work increase during the graduated return to work, the employee's sick leave will be adjusted in accordance with the new schedule. In accordance with paragraph c), the Employee will also be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of regular salary proportional to the hours scheduled to work under the graduated return to work. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours.

h) Proof of Illness

Sick Leave Days Payable at 100%

A Board may request medical confirmation of illness or injury and any restrictions or limitations any Employee may have, confirming the dates of absence and the reason thereof (omitting a diagnosis). Medical confirmation is to be provided by the Employee for absences of five (5) consecutive working days or longer. The medical confirmation may be required to be provided on the form contained in Appendix C.

Short-Term Disability Leave

In order to access short-term disability leave, medical confirmation may be requested and shall be provided on the form attached as Appendix "C" to this Agreement.

In either instance where an Employee does not provide medical confirmation as requested, or otherwise declines to participate and/or cooperate in the administration of the Sick Leave Plan, access to compensation may be suspended or denied. Before access to compensation is denied, discussion will occur between the union and the school board. Compensation will not be denied for the sole reason that the medical practitioner refuses to provide the required medical information. A school board may require an independent medical examination to be completed by a medical practitioner qualified in respect of the illness or injury of the Board's choice at the Board's expense.

In cases where the Employee's failure to cooperate is the result of a medical condition, the Board shall consider those extenuating circumstances in arriving at a decision.

i) Notification of Sick Leave Days

The Board shall notify employees and the Bargaining Unit, when they have exhausted their 11 days allocation of sick leave at 100% of salary.

j) Pension Contributions While on Short Term Disability

Contributions for OMERS Plan Members:

When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OMERS contributions based on 100% of the employee/plan member's regular pay.

Contributions for OTPP Plan Members:

- i. When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OTPP contributions based on 100% of the employee/plan member's regular pay.
- ii. If the plan employee/plan member exceeds the maximum allowable paid sick leave before qualifying for Long-Term Disability (LTD)/Long Term Income Protection (LTIP), pension contributions will cease. The employee/plan member is entitled to complete a purchase of credited service, subject to existing plan provisions for periods of absence due to illness between contributions ceasing under a paid short-term sick leave provision and qualification for Long-Term Disability (LTD)/Long-Term Income Protection (LTIP) when employee contributions are waived. If an employee/plan member is not approved for LTD/LTIP, such absence shall be subject to existing plan provisions.

k) Top-up Provisions

Employees accessing short-term disability leave as set out in paragraph c) will have access to any unused sick leave days from their last fiscal year worked for the purpose of topping up wages to one hundred percent (100%) under the short-term disability leave.

This top-up is calculated as follows:

Eleven (11) days less the number of sick leave days used in the most recent fiscal year worked.

Each top-up to 100% from 90 to 100% requires the corresponding fraction of a day available for top-up.

In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short-Term Paid Leave Days/Miscellaneous Personal Leave Days in the current year. These days can be used to top-up salary under the short-term disability leave.

When employees use any part of a short-term disability leave day they may access their top up bank to top up their salary to 100%.

l) Sick Leave to Establish EI Maternity Benefits

If the Employee will be able to establish a new EI Maternity Benefit claim in the six weeks immediately following the birth of her child through access to sick leave at 100% of her regular salary, she shall be eligible for up to six weeks leave at 100% of her regular salary without deduction from the sick days or short-term disability leave days (remainder of six weeks topped-up as SEB).

C7.00 CENTRAL LABOUR RELATIONS COMMITTEE

C7.1 Preamble

The Council of Trustees' Associations (CTA) and the Canadian Union of Public Employees (CUPE) agree to establish a joint Central Labour Relations Committee (Committee) to promote and facilitate communication between rounds of bargaining on issues of joint interest.

C7.2 Membership

The Committee shall include four (4) representatives from CUPE/SCFP and four (4) representatives from the CTA. The parties may mutually agree to invite the Crown and/or other persons to attend meetings in order to provide support and resources as required.

C7.3 Co-Chair Selection

CUPE/SCFP and CTA representatives will each select one co-chair. The two Co-Chairs will govern the group's agendas, work and meetings.

C7.4 Meetings

The Committee will meet within sixty (60) calendar days of the ratification of the central terms of the collective agreement. The Committee shall meet on agreed upon dates three (3) times in each school year, or more often as mutually agreed.

C7.5 Agenda and Minutes

- a) Agendas of reasonable length detailing issues in a clear and concise fashion will be developed jointly between the co-chairs, translated into the French language and provided to committee members at least ten (10) working days prior to the scheduled date of the meeting. Agenda items should be of general concern to the parties as opposed to personal concerns of individual employees. It is not the mandate of the Committee to deal with matters that have been filed as central disputes. With mutual consent, additional items may be added prior to, or at the meeting.
- b) The minutes will be produced by the CTA and agreed upon by the parties on an item-by-item basis. The minutes will reflect the items discussed and any agreement or disagreement on solutions. Where the matter is deferred, the minutes will reflect which party is responsible for follow-up. The minutes will be translated into the French language and authorized for distribution to the parties and the Crown once signed by a representative from both parties.

C7.6 Without Prejudice or Precedent

The parties to the Committee agree that any discussion at the Committee will be on a without-prejudice and without-precedent basis, unless agreed otherwise.

C7.7 Cost of Labour Relations Meetings

The parties agree that efforts will be made to minimize costs related to the committee.

C8.00 CUPE/SCFP MEMBERS ON PROVINCIAL COMMITTEES

CUPE/SCFP appointees to Provincial Committees will not have their participation charged against local collective agreement union release time or days.

C9.00 ATTENDANCE AT MANDATORY MEETINGS/SCHOOL EVENTS

Where an employee is required through clear direction by the board to attend work outside of regular working hours, the provisions of the local collective agreement regarding hours of work and compensation, including any relevant overtime/lieu time provisions, shall apply.

Required attendance outside of regular working hours may include, but is not limited to school staff meetings, parent/teacher interviews, curriculum nights, Individual Education Plan and Identification Placement Review Committee meetings, and consultations with board professional staff.

C10.00 CASUAL SENIORITY EMPLOYEE LIST

On or before September 1, 2016, school boards shall establish a seniority list for casual/temporary employees, where a list does not currently exist. This will be a separate list from permanent employees and shall have as its sole purpose to track length of service with the Board. Further, the list shall have no other force or effect on local collective agreements other than those that may already exist for casual/temporary employees in the 2008-12 local collective agreement.

C11.00 UNION REPRESENTATION AS IT RELATES TO CENTRAL BARGAINING

Negotiations Committee

At all central bargaining meetings with the Employer representatives the union will be represented by the OSBCU negotiations committee.

The union will be consulted prior to the tendering process for the broader central bargaining location. The tendering process shall be conducted in accordance with the OPS Procurement Directive.

Supplemental Employment Benefits (SEB)

- g) The Employer shall provide for permanent employees who access such Leaves, a SEB plan to top up their E.I. Benefits. The permanent employee who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks provided the period falls within the work year and during a period for which the permanent employee would normally be paid. The SEB Plan pay will be the difference between the gross amount the employee receives from E.I. and their regular gross pay.
- h) Employees completing a term assignment shall also be eligible for the SEB plan with the length of the benefit limited by the length of the assignment.
- i) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.

* “General Nature of Illness” (or injury) suggests a general statement of a person’s illness or injury in plain language without any technical medical details, including diagnosis. Although revealing the nature of an illness may suggest the diagnosis, it will not necessarily do so. “Nature of illness” and “diagnosis” are not congruent terms. For example, a statement that a person has a cardiac or abdominal condition or that s/he has undergone surgery in that respect reveals the essence of the situation without revealing a diagnosis.

Additional or follow up information may be requested as appropriate.

RE: Status Quo Central Items

The parties agree that the following central issues have been addressed at the central table and that the language relating to these provisions shall remain status quo. For further clarity, if language exists in part B, the following items are to be retained as written in the 2014-2017 collective agreements. The issues listed below shall not be subject to local bargaining or to amendment by the local parties.

Issues: To be Updated as Necessary

- Paid Vacations
- Work week (excluding scheduling)
- Work year (excluding scheduling)
- Hours of Work (excluding scheduling)
- Preparation Time
- Staffing levels (including staffing levels related to permits and leases and replacement staffing)

LETTER OF UNDERSTANDING #2

AND

The Council of Trustees' Associations
(Hereinafter the 'CTA/CAE')

RE: Status Quo Central Items and Items Requiring Amendment and Incorporation

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo or are altered as outlined below. The following language must, however, be aligned with current local provisions. The following issues are not subject to local bargaining or amendment by the local parties. Any disputes arising from these provisions may form the subject of a central dispute.

PREGNANCY/PARENTAL LEAVES OF ABSENCE/SEB – EI WAITING PERIOD

The parties agree that the issue of the statutory amendment to the *Employment Insurance Act* resulting in a reduction of the employment insurance waiting period has been addressed at the central table and the intent of any existing local collective agreement provisions shall remain status quo. Therefore, where a school board's local collective agreement language references a two-week waiting period and required payment for the two-week waiting period, the board shall ensure that the funds payable from the board to a permanent employee taking an approved leave of 12 months or greater, shall reflect the full sum that would have been payable prior to the reduction of the waiting period.

Provisions with regard to waiting periods and/or payments during such waiting periods shall not be subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein and to accord with the relevant statutory change that reduced the waiting period to one week.

STATUTORY/PUBLIC HOLIDAYS

School boards shall ensure that within their local collective agreement terms, Family Day is included as a statutory/public holiday.

WSIB TOP-UP

If a class of employee was entitled to receive WSIB top-up on August 31, 2012 deducted from sick leave, the parties who have not yet do so must incorporate those same provisions without deduction from sick leave. The top-up amount to a maximum of four (4) years and six (6) month shall be included in the 2019-2022 collective agreement.

For parties who have yet to incorporate or aligned local language into the 2014-2017 collective agreement, the following shall apply:

Common Central Provisions

Maternity Benefits/SEB Plan

- a) A full-time and part-time permanent Employee who is eligible for pregnancy leave pursuant to the Employment Standards Act, shall receive *100% salary through a Supplemental Employment Benefit (SEB) plan for a total of *eight (8) weeks immediately following the birth of her child with no deduction from sick leave or the Short Term Leave Disability Program (STLDP).
- b) Full-time and part-time permanent Employees not eligible for a SEB plan as a result of failing to qualify for Employment Insurance will be eligible to receive 100% of salary from the employer for a total of eight (8) weeks with no deduction from sick leave or STLDP.
- c) Where any part of the eight (8) weeks falls during the period of time that is not eligible for pay (i.e. summer, March Break, etc.), the full eight (8) weeks of top up shall continue to be paid.
- d) Full-time and part-time permanent Employees who require longer than the eight (8) week recuperation period shall have access to sick leave and the STLDP subject to meeting the requirements to provide acceptable medical verification.
- e) Employees completing a long-term supply assignment of 6 months or more shall be eligible for the SEB as described herein for a maximum of eight (8) weeks or the remaining number of weeks in their current assignment after the birth of her child, whichever is less.
- f) Employees not defined above have no entitlement to the benefits outlined in this article.

SHORT-TERM PAID LEAVES

The parties agree that the issue of short-term paid leaves has been addressed at the central table and the provisions shall remain status quo to the provisions in current local collective agreements. For clarity, any leave of absence in the 2008-2012 local collective agreement that utilized deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of 5 days per school year. For further clarity, those boards that had 5 or less shall remain at that level. Boards that had 5 or more days shall be capped at 5 days. These days shall not be used for the purpose of sick leave, nor shall they accumulate from year to year.

Short-term paid leave provisions in the 2008-12 collective agreement that did not utilize deduction from sick leave remain status quo and must be incorporated into the 2014-17 collective agreement.

Provisions with regard to short-term paid leaves shall not subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein.

RETIREMENT GRATUITIES

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix B - Retirement Gratuities.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. Employees are not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Employee had accumulated and was eligible to receive as of that day. The following language applies only to those employees eligible for the gratuity above.”

SICK LEAVE TO BRIDGE LONG-TERM DISABILITY WAITING PERIOD

Boards which have Long-Term Disability waiting periods greater than 131 days shall ensure there is language that accords with the following entitlement:

An Employee who has applied for long-term disability is eligible for additional short-term disability leave days up to the maximum difference between the long-term disability waiting period and 131 days. The additional days shall be payable at 90% and shall be used only to bridge the employee to the long-term disability waiting period if, under a collective agreement in effect on August 31, 2012, the employee was required to wait more than 131 days before being eligible for benefits under a long-term disability plan and the collective agreement did not allow the employee the option of reducing that waiting period.

RE: Job Security: Protected Complement

The parties acknowledge that education workers contribute in a significant way to student achievement and well-being.

1. Effective as of the date of central ratification, the Board undertakes to maintain its Protected Complement, except in cases of:
 - a. A catastrophic or unforeseeable event or circumstance;
 - b. Declining enrolment;
 - c. Funding reductions directly related to services provided by bargaining unit members; or
 - d. School closure and/or school consolidation.
2. Where complement reductions are required pursuant to 1. above, they shall be achieved as follows:

 - c. In the case of school closure and/or school consolidation, complement reductions shall not exceed the number of staff prior to school closure/consolidation at the affected location(s).

Local collective agreement language will be respected, regarding notification to the union of complement reduction. In the case where there is no local language the board will notify the union within twenty (20) working days of determining there is to be a complement reduction.

3. For the purpose of this Letter of Understanding, at any relevant time, the overall protected complement is equal to:
 - a. The FTE number (excluding temporary, casual and/or occasional positions) as at date of central ratification. The FTE number is to be agreed to by the parties through consultation at the local level. Appropriate disclosure will be provided during this consultation. Disputes with regard to the FTE number may be referred to the Central Dispute Resolution Process.
 - b. Minus any attrition, defined as positions that become vacant and are not replaced, of bargaining unit members which occurs after the date of central ratification.

4. Reductions as may be required in 1. above shall only be achieved through lay-off after consultation with the union on alternative measures, which may include:
 - a. priority for available temporary, casual and/or occasional assignments;
 - b. the establishment of a permanent supply pool where feasible;
 - c. the development of a voluntary workforce reduction program (contingent on full provincial government funding).

5. The above language does not allow trade-offs between the classifications outlined below:

 - c. Secretaries
 - d. Custodians
 - e. Cleaners
 - f. Information Technology Staff
 - g. Library Technicians
 - h. Instructors
 - i. Supervisors
 - j. Central Administration
 - k. Professionals
 - l. Maintenance/Trades

6. The parties agree that where local collective agreement language currently exists that provides a superior benefit specifically with regard to protected complement FTE number, that language will prevail.

7. This Letter of Understanding expires on August 30, 2022.

- 3.1.0 **The following employees represented by CUPE are eligible to receive benefits through this Trust:**

- 3.1.1 The Trust will maintain eligibility for CUPE represented employees in accordance with the Local Collective Agreement (“CUPE represented employees”) as of August 31, 2014. The Trust will also be permitted to provide coverage to other employee groups in the education sector with the consent of their bargaining agents and employer or, for non-union groups, in accordance with an agreement between the Trustees and the applicable Board. These groups must request inclusion in the Trust, and must agree to comply with the Trust’s financial, data and administrative requirements.
- 3.1.2 Retirees who were, and still are, members of a Board benefit plan at August 31, 2013 based on the prior arrangements with the Board.
- 3.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board participation date are segregated in their own experience pool, and the premiums are fully paid by the retirees.

4.0.0 FUNDING

4.1.0 Start-Up Costs

- 4.1.1 The Government of Ontario will provide:
 - a. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve (“CFR”). The amount shall be paid to the Trust on September 1, 2016.
 - b. A one-time contribution of a half month’s premium cost (4.15% of annual benefit costs) to the Trust, to cover start-up costs and/or reserves.
- 4.1.2 The one-time contributions in 4.1.1 (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier’s most recent yearly statement for the year ending no later than August 31, 2015.
- 4.1.3 The Crown shall pay to CUPE \$3.5million of the startup costs referred to in s. 4.1.1 (b) on the date of ratification of the central agreement and shall pay to CUPE a further \$3.5 million subject to the maximum amount referred to in s. 4.1.1 (b) by June 1, 2016. The balance of the payments, if required under s. 4.1.1 (b), shall be paid by the Crown to CUPE on the day the Trust becomes effective.
- 4.1.4 On the day the Board commences participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee’s pro rata share based on the amount of the employee’s co-share payment of

each benefit. The remaining portion of the Board's surplus will be retained by the Boards.

- 4.1.5 Where there are active grievances related to surpluses, deposits and/or reserves, the amount in dispute shall be internally restricted by the Board until the grievance is settled.
- 4.1.6 All Board reserves for Incurred But Not Reported ("IBNR") claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.
- 4.1.7 Upon release of each Board's IBNR and CFR by the carriers, the reserves will be retained by the applicable Board. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Board's annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Board upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Board and the Trust based on the employers' and employees' premium share.
- 4.1.8 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:
 - a. If available, the paid premiums or contributions or claims costs of each group; or
 - b. Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.The methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.
- 4.1.9 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.
- 4.1.10 In order to ensure the fiscal sustainability of said benefit plans, the Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties understanding that the Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.
- 4.1.11 The Trust shall retain rights to the data and the copy of the software systems.

4.2.0 On-Going Funding

- 4.2.1 For the current term the Boards agree to contribute funds to support the Trust as follows:
 - a. The Boards will continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees' Participation Date in the Trust.
 - b. By January 31, 2016 for Board-owned defined benefit plans, the Boards will calculate the annual amount of i) divided by ii) which will form the base funding amount for the Trust;
 - i) "Total cost" means the total annual cost of benefits and related costs including but not limited to claims, administration expenses, insurance premiums, consulting, auditing and advisory fees and all other costs and taxes, as reported on the insurance carrier's most recent yearly statement, and if any, premium costs on other district school area board

or public school authority statements, for the year ending no later than August 31, 2015. The aforementioned statements are to be provided to the Ministry of Education.

Total Cost excludes retiree costs.

The average number of Full-Time Equivalent (FTE) positions in the bargaining unit as at October 31st and March 31st for the period consistent with this clause.

- ii) For purposes of (b) (ii) above, the FTE positions will be those consistent with Appendix H of the Education Finance Information System (EFIS) for job classifications that are eligible for benefits.
- c. All amounts determined in this Article 4 shall be subject to a due diligence review by CUPE. The Boards shall cooperate fully with the review, and provide, or direct their carriers or other agents to provide, all data requested by CUPE. If any amount cannot be agreed between CUPE and a Board, the parties to this agreement shall make every effort, in good faith, to resolve the issue using the data provided, supporting information that can be obtained and reasonable inferences on the data and information. If no resolution to the issue can be achieved, it shall be subject to the Central Dispute Resolution process.
- i) In order that each party be satisfied that the terms of this LoA provide a satisfactory basis to deliver benefits in the future, each party reserves the right to conduct a thorough due diligence with respect to existing benefit arrangements (including benefit terms, eligibility terms, FTE positions in the bargaining unit, historic costs and trends). Prior to May 1, 2016 if either CUPE or the CTA concludes, in good faith, following its due diligence review, that the terms of the LoA do not provide a satisfactory basis for the provision of benefits, then either CUPE or the CTA may declare this LoA to be null and void, in which case no Participation Dates for any Boards shall be triggered and the benefits related provisions of all local agreements, as they were before the adoption of this LoA, shall remain in full force and effect.
 - ii) Prior to September 1, 2016, on any material matter, relating to Article 4.2.1 (a) or (b), CUPE or the CTA can deem this Letter of Understanding to be null and void. No Participation Dates for any Board shall be triggered and the benefits related provisions of all local agreements, as they were before the adoption of this Letter of Understanding, shall remain in full force and effect.
- d. On the participation date, the Boards will contribute to the Trust the amount determined in s. 4.2.1 (b) plus 4% for 2015-16 and 4% for 2016-17.

- f. An amount of \$300 per FTE, in addition to (d) and (e) will be added to the base funding in 2016-17.
- g. With respect to 4.2.1 (b), and (d) above, the contributions provided by the Boards will include the employees' share of the benefit cost as specified by the Board's collective agreement until such time that the employees' share is adjusted as determined by the Trust and subject to the funding policy.

- h. The terms and conditions of any existing Employee Assistance Program/Employee Family Assistance Program shall remain the responsibility of the respective Board and not the Trust maintaining current employer and employee co-share where they exist. The Board shall maintain its contribution to all statutory benefits as required by legislation (including but not limited to Canada Pension Plan, Employment Insurance, Employer Health Tax, etc.).

- o. Funding for retirees shall be provided based on the costs or premiums in 2014-15 associated with those retirees described in 3.1.2 plus 4% in 2015-16 and 4% in 2016-17. - p. Some CUPE members currently contribute to the payment of employee benefits at varying levels in accordance with local collective agreements, generally referred to as "Co-Pay". This amount is often expressed as a percentage of premiums. Should the Trust choose to reduce or eliminate the "Co-Pay", the Crown will provide funding equivalent to the reduction of the "Co-Pay" amount. The reduction to the percentage of premium, if any, will be converted to a per FTE amount based on the 2014-15 premiums. This election must be made by the last board's participation date.

RE: BENEFITS

The parties agree that, once all employees to whom this memorandum of settlement of the central terms applies become covered by the Employee Life and Health Trust (ELHT) contemplated by this Letter of Understanding, all references to life, health and dental benefits in the applicable local collective agreement shall be removed from that local agreement.

The employee representatives, the employer representatives, and the Crown, intend to establish an Education Sector ELHT, (hereinafter, the "Trust"), to provide benefits to education workers in the Province of Ontario employed by District School Boards, District School Area Boards and Public School Authorities (hereinafter, the "Boards") in accordance with section 144.1 of the *Income Tax Act* (Canada) ("ITA"). Boards' benefit plans can only be moved into the Trust, such that the Trust will be in compliance with the ITA and Canada Revenue Agency administrative requirements for an ELHT (the "ELHT Requirements"). It is intended that the Trust be effective no later than May 1, 2017 and that Boards will participate in this Trust on a common date no later than February 1, 2018. The date on which the Boards commence participation in the Trust shall be referred to herein as the "Participation Date".

The parties acknowledge that the establishment of the Trust represents a substantial commitment both within and beyond the term of the current collective agreement. This letter of understanding is conditional upon its terms continuing in full force and effect beyond the termination date of the collective agreement, and is made in detrimental reliance upon such continuation. The terms of this letter of understanding will form the basis for a trust agreement setting out the terms of the ELHT to be approved by the parties.

1.0.0 PRINCIPLES

- 1.1.0 The Trust will be governed by the employee representatives and the employer representatives, together with the Crown;
- 1.2.0 The Trust will be responsible for the delivery of benefits on a sustainable, efficient and cost effective basis;
- 1.3.0 Services provided by the Trust to be available in both official languages, English and French; and
- 1.4.0 Other employee groups in the education sector may join the Trust. The Trust will develop an affordable benefits plan that is based on the funding available to the employee groups.

2.0.0 GOVERNANCE

2.1.0 Board of Trustees

- 2.1.1 The Board of Trustees will be comprised of 9 voting members that include 5 CUPE employee representatives and 4 employer representatives, including the Crown. The Board of Trustees will include among its members 2 independent experts, 1 appointed by the employer representatives and 1 appointed by the employee representatives. CUPE will be responsible for the appointment and termination of the employee Trustees, and the employer representatives will be responsible for the appointment and termination of the employer Trustees.
- 2.1.2 The appointed independent experts will:
 - a. Be retained from outside of the following organizations: the Trust, the shared services office supporting the Trusts, the union, the Boards, the CTA and the Crown;
 - b. Have no conflict of interest in their role as trustee on the Benefit Plan Trust; and
 - c. Be accredited from one of the following fields: actuarial science, law or accounting; or in lieu of such affiliation hold the Certified Employee Benefit Specialist (CEBS) designation; and have demonstrated experience with employee benefit plans.
- 2.1.3 Other experts may be invited to the Trust in an advisory capacity and will not maintain any voting rights.
- 2.1.4 All voting requires a simple majority to carry.
- 2.1.5 CUPE shall determine the initial term and subsequent succession plan for their Trustees. The CTA and the Crown acting together, shall determine the initial term and subsequent succession plan for their Trustees. A succession plan will be designed for the Trustees so that the terms of no more than three Trustees expire in any twelve-month period. The term of a Trustee shall be limited to a maximum of 9 years.

- 3.1.0 The following employees represented by CUPE are eligible to receive benefits through this Trust:
 - 3.1.1 The Trust will maintain eligibility for CUPE represented employees in accordance with the Local Collective Agreement (“CUPE represented employees”) as of August 31, 2014. The Trust will also be permitted to provide coverage to other employee groups in the education sector with the consent of their bargaining agents and employer or, for non-union groups, in accordance with an agreement between the Trustees and the applicable Board. These groups must request inclusion in the Trust, and must agree to comply with the Trust’s financial, data and administrative requirements.
 - 3.1.2 Retirees who were, and still are, members of a Board benefit plan at August 31, 2013 based on the prior arrangements with the Board.
 - 3.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board participation date are segregated in their own experience pool, and the premiums are fully paid by the retirees.
 - 3.1.4 No individuals who retire after the Board participation date are eligible.
 - 3.1.5 Retirees that join are subject to the provisions in 3.1.2 through 3.1.4.
- 3.2.0 The benefit plan may provide coverage for health (including but not limited to vision and travel), life and dental benefits including accidental death and dismemberment (AD&D), medical second

opinion, and navigational support, subject to compliance with section 144.1 of the ITA. After the initial establishment of the Trust, other employee benefit programs may be considered for inclusion, only if negotiated in future central collective agreements.

- 3.3.0 Each Board shall provide to the Trustees of the Education Sector ELHT directly, or through its Insurance Carrier of Record, Human Resource Information System (HRIS) information noted in Appendix A (which follows) within one (1) month of notification from the Trustees, in the format specified by the Trustees.

4.0.0 FUNDING

4.1.0 Start-Up Costs

- 4.1.1 The Government of Ontario will provide:
- a. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve (“CFR”). The amount shall be paid to the Trust on the Participation Date.
 - b. A one-time contribution of a half month’s premium cost (4.15% of annual benefit costs) to the Trust, to cover start-up costs and/or reserves.
- 4.1.2 The one-time contributions in 4.1.1 (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier’s most recent yearly statement for the year ending no later than August 31, 2015.
- 4.1.3 The Crown has provided to CUPE \$3.5 million of the \$7.0 million startup costs referred to in s.4.1.1 (b) in October 2016. The balance of the \$7.0 million payment shall be paid by the Crown to CUPE upon signing of this LOU. The balance of any other payments, if required under s. 4.1.1 (b), shall be paid by the Crown to CUPE on the day the Trust becomes effective.
- 4.1.4 On the day the Board commences participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee’s pro rata share based on the amount of the employee’s co-share payment of each benefit. The remaining portion of the Board’s surplus will be retained by the Boards.
- 4.1.5 Where there are active grievances related to surpluses, deposits and/or reserves, the amount in dispute shall be internally restricted by the Board until the grievance is settled.
- 4.1.6 All Board reserves for Incurred But Not Reported (“IBNR”) claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.
- 4.1.7 Upon release of each Board’s IBNR and CFR by the carriers, the reserves will be retained by the applicable Board. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Board’s annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Board upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Board and the Trust based on the employers’ and employees’ premium share.
- 4.1.8 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:
- a. If available, the paid premiums or contributions or claims costs of each group; or
 - b. Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.

The methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.

- 4.1.9 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.
- 4.1.10 In order to ensure the fiscal sustainability of said benefit plans, the Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties understanding that the Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.
- 4.1.11 The Trust shall retain rights to the data and the copy of the software systems.

4.2.0 On-Going Funding

- 4.2.1 For the current term, the Boards agree to continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees' Participation Date in the Trust.
- 4.2.2 In order that each party be satisfied that the terms of this LOU provide a satisfactory basis to deliver benefits in the future, each party reserves the right to conduct a thorough due diligence with respect to existing benefit arrangements (including benefit terms, eligibility terms, FTE positions in the bargaining unit, historic costs and trends).
- 4.2.3 As of the day that a Board commences participation in the Trust, the Board will remit an amount equal to 1/12th of \$5,075 per FTE to the Plan's Administrator and on the first day of each month thereafter.
- 4.2.4 In addition to the contributions provided by the Boards noted in 4.2.3 above, the Boards will also remit the employees' share of the benefit cost, if any, as deducted from the employees' pay and as specified by the Trust.
- 4.2.5 The terms and conditions of any existing Employee Assistance Program/Employee Family Assistance Program shall remain the responsibility of the respective Board and not the Trust maintaining current employer and employee co-share where they exist. The Board shall maintain its contribution to all statutory benefits as required by legislation (including but not limited to Canada Pension Plan, Employment Insurance, Employer Health Tax, etc.).
- 4.2.6 The FTE used to determine the Board's benefits contributions will be based on the average of the Board's FTE as of October 31st and March 31st of each year.
- 4.2.7 For purposes of 4.2.6 above, the FTE positions will be those consistent with Appendix H of the Education Finance Information System (EFIS) for job classifications that are eligible for benefits.
- 4.2.8 Amounts previously paid under 4.2.3 and 4.2.4 above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.
- 4.2.9 In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved between the Board and CUPE. If no resolution to the issue can be achieved, it shall be subject to the Central Dispute Resolution Process.
- 4.2.10 The Trust will provide the necessary information needed by Boards to perform their administrative duties required to support the Trust in a timely and successful manner.
- 4.2.11 Funding for retirees shall be provided based on the costs or premiums in 2014-15 associated with those retirees described in 3.1.2 plus 4% in 2015-16 and 4% in 2016-17. Employer and employee co-shares will remain status quo per local collective agreements in place as of August 31, 2014 or per existing benefit plan provisions.

- 1.1** In the interest of the efficient conduct and administration of the Board's affairs, it is desirable that there shall be harmonious relations. This Agreement is entered into by the Parties in order to provide for orderly collective bargaining relations between the Board and its employees. It is the desire of both Parties to co-operate in maintaining a mutually satisfactory relationship between the Board and its employees.
- 1.2** Wherever the singular or masculine is used in the Agreement, it shall be considered as if the plural or feminine has been used where the context so requires.

OR

(b) A person employed for the purpose of performing a temporary assignment of up to sixty days worked. The length of the term or assignment within the sixty day limit shall be at the sole discretion of the Board. An extension of this period may be made by mutual agreement of the Union and the Board.

Temporary workers shall not be entitled to the accrual of seniority or employee benefits in excess of what is stipulated by the *Employment Standards Act*. However, a temporary worker employed on a long term assignment of six (6) months or longer is entitled to one (1) sick day per month for the duration of the assignment. At the end of the assignment, any outstanding sick leave credits will be cancelled.

A temporary vacancy of six (6) months or longer must be posted within the bargaining unit. Only the vacancy created by the initial leave request will be posted.

- 2.3** **Union-Management Committee** – The Parties agree to form a Union-Management Committee consisting of up to four (4) representatives from each Party. This Committee shall meet as mutually determined by the Parties to discuss matters of mutual concern. This Committee shall not by-pass the Grievance Procedure or supersede the Collective Agreement.

ARTICLE 3 – DISCRIMINATION

3.1 Each of the Parties hereto agree that there will be no discrimination, interference, restraint or coercion exercised or practiced upon any employee because of membership or non-membership in the Union or any prohibited grounds under the Ontario Human Rights Code.

ARTICLE 4 – CORRESPONDENCE AND UNION DUES DEDUCTIONS

4.1 All correspondence from either party to the other, arising out of or incidental in this Agreement shall be forwarded to the Superintendent responsible for Human Resources or designate or to the President (of the Union).

4.2 The Board will advise the Union of the names and addresses of all new employees within thirty (30) days of their employment.

4.3 The Board shall deduct regular union dues from employees on every pay.

4.4 The Board shall forward such deductions to the Secretary-Treasurer, or designate, of the National Union not later than the 15th of the month following the month in which the deductions were made. Such remittance shall be accompanied with an electronic list of the names, addresses, hours worked, and earnings of all employees from whose wages the deductions have been made. The list shall also indicate the amount of dues deducted from each employee. The Board shall forward a copy of this electronic list to the Secretary-Treasurer, or designate, of the Local.

4.5 The union shall indemnify and hold the Board harmless from any claims, suits, attachments and any form of liability as a result of such deductions authorized by the Union.

ARTICLE 5 – SENIORITY AND STAFF CHANGES

5.1 Effective January 1, 2020, seniority shall be defined as the permanent hire date for all employees hired on/after this date. For employees hired prior to December 31, 2019, seniority shall be frozen at their seniority placement as of December 31, 2019.

5.2 Loss of Seniority

Seniority and all other rights contained in the collective agreement shall cease and employment shall be considered terminated in the event that any of the following applies to the employee:

- ◆ is discharged for just cause and is not reinstated
- ◆ resigns in writing and does not withdraw in writing within two (2) working days
- ◆ is laid off for a period of twenty-four (24) consecutive months
- ◆ fails to report to work as scheduled at the end of an approved leave of absence, layoff or suspension without a reasonable explanation given in a timely fashion
- ◆ is absent without an approved leave without a reasonable explanation given in a timely fashion
- ◆ retires

- 5.3** Seniority lists will be issued by the Board to the Union's President and posted electronically by February 28th of each year showing the seniority of all employees. Employees must contact Human Resources Services by March 25 if they have questions regarding their placement on the seniority list. The Union will sign off on the Seniority lists after reviewing all written employee concerns and written resolutions to concerns.

Probationary Employees

- 5.4** a) New employees hired to a permanent position shall be on probation during the first fifty (50) days worked (exclusive of time worked during July and August) and during that period shall have no seniority rights. Notwithstanding the foregoing, any employee who has worked fifty (50) days as a Temporary Worker shall be on probation for thirty (30) days worked and during that period shall not have seniority rights. The probationary period may be extended for twenty (20) days worked. Such extension is to be mutually agreed upon by the Parties. Upon successful completion of the probationary period, seniority shall be retroactive to the date of hire to the permanent position.
- b) During the probationary period the employer shall have the right to discipline, demote, discharge or lay off a probationary employee and such probationary employee shall have recourse to the Grievance Procedure. It is understood by the parties that, for the purposes of the above, a lesser standard will apply to a probationary employee than to an employee who has completed their probationary period.
- 5.5** If an employee is awarded a position outside the bargaining unit with the employer and returns to the bargaining unit within twelve months, the employee's seniority would resume effective with the date of their return to the bargaining unit. If the employee returns to the bargaining unit after twelve (12) months, the employee returns to the bargaining unit with no previously accumulated seniority. The return of the employee to the bargaining unit shall not result in the lay-off or displacement of any bargaining unit member.
- 5.6** A temporary worker who is subsequently appointed to the probationary staff shall have his/her seniority dated back to the commencement of his/her last temporary assignment, provided there has not been an intervening employment break with the Board of more than one month between completing the temporary assignment and the probationary appointment. The months of July and August shall not be included in determining whether a person has had an intervening break.
- 5.7** Ties on the seniority list shall be broken by drawing lots by the Superintendent of Human Resources, or designate, and the President of the Union prior to the posting of the Seniority List in Article 5.3.

ARTICLE 6 – JOB POSTINGS

- 6.1** Within four (4) weeks the employer will post any vacancy or new position which occurs in any occupation coming within the scope of this Agreement. If the employer determines to postpone filling or not to fill a vacancy, the union shall be notified in writing. The vacancy will be posted electronically for at least three (3) days prior to the filling of such positions. Postings shall be issued for the initial vacancy and two (2) subsequent vacancies only.

- 6.2** A job posting shall contain the following information: location, nature of position, length of work year, qualifications, required knowledge and education, skills, shift, regular hours of work, wage or salary rate or range.
- 6.3** The Union shall be notified of all promotions, demotions, hiring, layoffs, transfers, recalls, resignations, retirements or other terminations of employment of permanent employees within the scope of this Agreement. All applicants interviewed will be advised of the outcome. In addition, a list of casual employees will be provided to the Union upon request twice per school year – October 31 and March 31.
- 6.4** In filling any vacancy or new position pursuant to Article 6.1, when all applicants applying for a position are in the same job classification as the position that they own at the time of applying, the position shall be awarded based on seniority.

In filling any vacancy or new position pursuant to Article 6.1, when some or all applicants are applying for a position that is in a different classification than the position they own at the time of applying, the criteria shall be as follows:

- (a) qualifications and ability,
- (b) seniority

When factors in (a) are relatively equal, seniority shall govern.

The successful applicant shall be notified within thirty (30) days of the closing date of the posting. The only exception to the foregoing time limit shall be when an appointment is made from outside the bargaining unit.

A successful applicant for a change of classification from inside the bargaining unit will be given a trial period of twenty (20) days worked (excluding any time worked in July and August for all 12 month employees) in the new position. The trial period may be extended by a further twenty (20) days worked with the mutual consent of the Parties. After the trial period, the Board or the employee may decide that the employee is not suited to the new position, and in such a case shall be returned to their previous position. The trial period may be waived by mutual consent of the Union and the Employer.

- 6.5** No external job applicant shall be considered for a job vacancy prior to the completion of the internal selection process.

ARTICLE 7 – LAYOFF AND RECALL

- 7.1** A layoff shall be defined as a reduction in the workforce or a reduction in the regular hours of work of an employee.
- 7.2** Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a layoff, an employee about to be laid off may bump a less senior employee in an equal or lesser classification providing that the employee exercising the right is qualified and able to perform the work of the less senior employee. An employee receiving notice

of layoff must indicate in writing within five (5) working days (inclusive of July and August and exclusive of shutdown) that he/she wishes to accept the layoff or bump another employee and name the employee to be bumped.

- 7.3** Employees identified as being surplus to the needs of a school or the system, or affected by a reduction in the workforce or in regular hours for the upcoming school year will be served notice of layoff, in writing, by June 15. Unless legislation is more favourable to the employee(s), thirty (30) calendar days' notice of layoff shall be given for layoffs during the school year. Should it not be possible to provide work during the thirty (30) days, the laid off employee(s) shall be paid their regular rate of pay for the days they would normally have worked during the thirty (30) calendar days.
- 7.4** Should a position become vacant or a new position be created while an employee is on layoff, the Employer will post the initial and one subsequent vacancy through the normal job posting procedure. The second vacancy that arises due to the filling of the initial vacancy will be subject to recall.
- 7.5** New employees shall not be hired until laid off employees have been given an opportunity of recall. This does not prevent the employer from adding to the list of temporary employees.
- 7.6** Employees qualifying for recall shall be recalled in order of their seniority (at the time of layoff) provided they have the qualifications and ability to perform the work available.
- 7.7** An offer of position shall be made originally by telephone and electronically. An employee shall inform the Board in writing of his/her acceptance or rejection within twenty-four (24) hours of receiving the offer, exclusive of Saturday or Sunday. An employee who fails to inform the Board within twenty-four (24) hours shall be deemed to have rejected the offer.
- 7.8** When an employee is offered reasonable recall to an equivalent permanent position, the employee's name shall be removed from the recall list. The employee will not have any further opportunity for recall but is able to apply for posted vacancies during the twenty-four (24) months following layoff.
- 7.9** It shall be the duty of the employee to notify the Board promptly of any change of address or telephone number. If the employee should fail to do so, the Board shall not be responsible for failure of official notices to reach the employee.
- 7.10** Employees who are not offered permanent positions will remain on layoff for up to twenty-four (24) consecutive months. After twenty-four (24) consecutive months of layoff, seniority and all other rights shall cease and employment shall be considered terminated.
- 7.11** Temporary/Casual Positions While on Layoff - Temporary/casual positions that become available while employee(s) are on layoff will be offered to qualified laid off employees. The employer shall make all reasonable efforts to assign temporary positions in order of seniority. Acceptance of a Temporary/Casual position while on layoff will not affect the permanent status of the employee(s) or rights pursuant to the layoff and recall article of the collective agreement. Laid off employee(s) will accumulate seniority while working as a Temporary/Casual employee and

will receive the wage rate of the permanent position. The employee will also receive vacation pay as a percentage of earnings in accordance with the collective agreement but will receive holiday pay as per the *Employment Standards Act*.

7.12 Any Grievance concerning layoff and recall shall be initiated at Step 2 of the Grievance Procedure.

7.13 The Union Executive Members will still be recognized by the Employer even when laid off.

7.14 It is agreed that no permanent employee will be laid off as a direct result of the use of volunteers, co-op students, parents or other persons.

7.15 The parties agree to meet as far in advance as possible of any layoff, restructuring, or downsizing to explore all options/alternatives to layoffs.

ARTICLE 8 – MANAGEMENT RIGHTS

8.1 The Union recognizes that it is the right of the employer to exercise the generally recognized regular and customary functions of management and to direct its working forces. The employer agrees not to exercise these functions in a manner inconsistent with the provisions of the collective agreement.

ARTICLE 9 – GRIEVANCE PROCEDURE

It is the mutual desire of the Board and the Union that the complaints of employees shall be adjusted as quickly as possible, and it is understood that an employee has no grievance until they have first given the Principal, Immediate Supervisor or designate an opportunity to adjust the employee's complaints. It is further understood that an employee who uses avenues other than the Grievance Procedure contained in article 9 to rectify a complaint or grievance may prejudice their complaint or grievance or arbitration procedure.

Step One: Complaint

9.1 An employee who has a complaint must bring that complaint to the attention of the Principal, Immediate Supervisor or designate within ten (10) working days of when the employee became or ought reasonably to have become aware of the circumstances which gave rise to the complaint. The Principal, Immediate Supervisor or designate shall verbally reply to the complaint within ten (10) working days from the presentation of the complaint.

Step Two: Human Resources

9.2 Failing settlement when an employee has a complaint arising out of the interpretation, application, administration or alleged violation of the terms of the Agreement, the employee or union representative shall reduce the grievance to writing, stating the nature of the grievance, the Article or Articles allegedly violated, the redress sought, sign the grievance, and then, within five (5) working days of the verbal reply to 9.1 above, submit the grievance to the Superintendent responsible for Human Resources or designate, following which the grievance will be processed in the following manner and sequence.

- 9.3** Within ten (10) working days of receipt of the written grievance, the Superintendent responsible for Human Resources or designate, shall convene a meeting with the Union Grievance Committee and grievor in an effort to resolve the grievance. The Superintendent responsible for Human Resources or designate shall render a decision in writing within ten (10) working days after the meeting.
- 9.4** In discussing a complaint, the employee shall be allowed time off during working hours (provided this occurs during normal business hours) and shall have Union representation. A National Representative of the Union may be present at the request of the Union.
- 9.5** The Union recognizes that each Union representative is employed and that he/she will not leave his/her work during working hours except to perform his/her duties under the Collective Agreement. Therefore, no Union representative shall leave his/her work without obtaining the permission of his/her supervisor. Permission shall not be withheld unreasonably.

Step Three: Board

- 9.6** Failing a settlement in Step two, the Union's Grievance Committee shall refer the matter to the Director of Education, or designate, within five (5) working days of receiving the decision in Step number 2. The Grievance Committee (which at this stage may consist of five (5) employees, one of whom may be the complainant) shall be granted a hearing by the Director, or designate, after receiving the written grievance, and at which time the written record of the grievance shall be presented. A National Representative of the Union may be present at the request of either party. The decision of the Director, or designate, shall be given, in writing, within five (5) working days following the meeting.

Policy and Group Grievance

- 9.7** The bargaining unit has the right to file a policy grievance or group grievance on behalf of two or more members who are similarly affected as a result of an alleged violation of the Agreement. The Board has the right to file a policy grievance. Any policy or group grievance must be filed within twenty (20) days of the event which gave rise to the grievance or within twenty (20) days of the time when the party should reasonably be expected to be aware of the relevant facts. Such grievance shall be filed at Step Two except that a Board grievance shall be filed with the President of the Bargaining Unit and at Step Three, a Board representative shall present its grievance to the Bargaining Unit's Grievance Committee.
- 9.8** Nothing in this Article precludes the Parties from mutually agreeing to grievance mediation during any stage of the grievance procedure. The agreement shall be made in writing and stipulate the name of the person and timeline for grievance mediation to occur.
- 9.9** Failing a settlement under Step three of any difference between the parties arising from interpretation, application, administration or alleged violation of this Agreement, including any questions as to whether a matter is arbitrable, such difference may be taken to arbitration as provided in Article 10 herein, and if no written request is received within five (5) calendar days of

the first general membership meeting that follows the day the decision in Step 3 is given, it shall be deemed to have been abandoned.

9.10 The time limits provided under the grievance procedure may be extended by mutual agreement of the parties.

9.11 All decisions agreed upon between the Board and the Union shall be final and binding upon the Board, the Union, and the employee or employees concerned.

ARTICLE 10 – ARBITRATION

10.1 Either of the Parties may notify the other Party in writing of its desire to submit a matter (as outlined in Article 9.10) to arbitration, and the notice shall contain the name of the first Party's appointee to an Arbitration Board. The recipient of the notice shall, within five (5) days, inform the other Party of the name of its appointee to the Arbitration Board. The two (2) appointees so selected shall appoint a third person who shall be the Chair. If the appointees fail to agree upon a Chair, the appointment shall be made by the Minister of Labour for Ontario upon the request of either Party.

10.2 Each of the parties hereto shall bear the expenses of the Arbitrator appointed by it, and the parties shall bear jointly and equally the expenses of the Chair of the Arbitration Board.

10.3 The Board of Arbitration, appointed pursuant to the provisions of this Agreement, has no jurisdiction to alter, amend, set aside, add to or delete from, any of the provisions herein contained, or to render any decision which is inconsistent with the provisions of this Agreement.

ARTICLE 11 – NO STRIKE AND NO LOCKOUT

11.1 The Employer agrees that there shall be no lockout of Employees and the Union agrees that there shall be no strike during the term of this Agreement. Lockout and strike shall be as defined in the *Labour Relations Act*.

ARTICLE 12 – DISCIPLINE CASES

12.1 When a supervisor intends to meet with an employee for disciplinary purposes, the Supervisor shall notify the employee and the union in advance of the purpose of the meeting.

12.2 Should it be found, upon investigation, that any employee has been unjustly suspended or discharged, such employee shall be immediately reinstated in their former position, without loss of seniority rating, and shall be compensated for all lost time and earnings. It is understood that this article is not intended to restrict an arbitrator's ability to determine an appropriate remedy at arbitration.

ARTICLE 13 – HOURS OF WORK AND OVERTIME

13.1 The regular work week shall consist of five days of seven hours each from Monday to Friday inclusive, for a total of thirty-five hours per week. The regular lunch break shall not exceed one (1) hour and not be less than thirty (30) minutes. The regular work week may be modified to provide for a flexible work schedule during the summer months, March Break and Christmas for twelve month employees. For Computer Technicians an afternoon shift to end no later than 10:00 p.m. may be scheduled on an occasional basis to meet operational needs (e.g. Report Cards, scheduled maintenance, software upgrades). There will be three (3) days notice to the employee of an afternoon shift being scheduled. For Computer Technicians, there will be a shift bonus per hour for all hours worked after 5 p.m. in a scheduled shift.

13.4 An employee (other than an Information Technology employee on the emergency response list) who is called back to work outside their regular working hours shall be paid for a minimum of two (2) hours at overtime rates for the hours worked. Call back shall be defined as responding to emergency or unusual occurrences requiring an unscheduled return to duty which was not known by the employee at the conclusion of the last shift or work period. Call backs shall be authorized only by the supervisor or their designate.

14.3 All employees covered by this Agreement shall be paid for overtime at double time if required to work on the above-listed holidays. The above overtime payment would be in addition to being paid for the holiday in question.

Letter of Understanding re OMERS Contributory Earnings

As a reference for employees the parties have agreed to include the definition of contributory earnings under the OMERS Pension Plan. For more information employees may access the OMERS web site at www.omers.com. The parties will continue to be bound by any OMERS Plan changes.

Definition of Contributory Earnings:

For all pension and other compensation purposes the parties agree that contributory earnings must include all regular recurring earnings including the following, as governed by OMERS regulations:

- base wages or salary;
- regular vacation pay if there is corresponding service;
- normal vacation pay for other-than-continuous full-time members. Include vacation hours in credited service;
- retroactive pay (including any pay equity adjustment) that fits with OMERS definition of earnings for all members, including active, terminated, retired and disabled members;
- lump sum wage or salary benefits which may vary from year to year but which form a regular part of the compensation package and are expected normally to occur each year (e.g. payment based on organizational performance, some types of variable pay, merit pay, commissions);
- market value adjustments (e.g. percentage paid in addition to a base wage as a result of market conditions, including retention bonuses if they are part of your ongoing pay strategy and not a temporary policy);
- ongoing special allowances (e.g. flight allowance, canine allowance);

- pay for time off in lieu of overtime;
- danger pay;
- acting pay (pay at a higher salary rate for acting in place of an absent person);
- shift premium (pay for shift work);
- ongoing long service pay (extra pay for completing a specified number of years of service);
- sick pay deemed to be regular wages or salary;
- salary or wage extension for any reason (e.g. illness), provided service is extended (the member must be “kept whole” e.g. continuation of salary and benefits). If the member becomes employed in another position and begins contributing to any registered pension plan (except CPP), the balance of the extension period becomes un-purchasable service;
- stand-by-pay/call-in pay (pay for being on call, not pay for hours worked when called in);
- living accommodation premiums provided (if paid as a form of compensation and not as a direct expense reimbursement);
- ongoing taxable payments to pay for costs (e.g. educational or car allowance);
- taxable value of provided vehicle or car allowance (e.g. if an employer provides an allowance [that is, expenses are not reimbursed] then the allowance is considered part of contributory earnings. If an employer reimburses mileage, this reimbursement represents payment for gasoline, maintenance, insurance, wear and tear on the vehicle and license fees and should not be included as part of contributory earnings);
- payments for unused accumulated sick days or vacation time, only on retirement and only if credited service is extended. When you include lump-sum payments for unused sick days or vacation time as contributory earnings, you must also extend the retirement date and the credited service by the number of days covered by the payment. The member’s pension will begin on the first day of the month following the revised retirement date.

Call backs shall be authorized only by the supervisor or their designate.
